

AGREEMENT

Apart from official publications relating to the Census, the Central Statistics Dept. also makes the data available on diskette and CD-ROM.

Individuals and institutions who are interested in doing further analysis should send their applications to the Director, Central Statistics Department with a copy of the study outline giving details of the data required and the purpose for which the data will be used. Once approval has been given a form will be signed by both parties, first by the applicant. Data will be available on CD-ROM and on diskette for a fee. Additionally, a processing fee would be charged in respect of any request that involves postage.
